

ENRICHMENT PROGRAM

Introducing a first-of-its-kind program for children 18 months to 3 years old.

Join our ***SCHOOL FAMILY*** where we will begin each day the Brain Smart® way with fun activities to Unite, De-Stress, Connect, and Commit.

Through educational and interactive games we will focus on:

- Social and Emotional Development
- Language and Literacy Skills
- Building Confidence and Independence
- Increased Attention and Cooperation

At our **Conscious Kids Enrichment Program (CKEP)**, children will learn how to connect with others and feel empowered during arts and crafts, music, yoga/movement, and many more exciting activities while safely getting their wants and needs met in a small group setting.

Each day, children will interact with certified Conscious Discipline® Instructors and seasoned educators who will guide them with love and encouragement, for exciting and memorable experiences.

We welcome and encourage parent involvement and participation in our daily routine.
